To,
The Principal
Bhaga Mining College
Dhanbad, Jharkhand

Sub: Regarding Campus selection for Surveyor & Auto CAD Executives

Dear Sir

This is to state, that Institute for Environmental Management(IEM)/PECS an NABET/QCI accredited Consultants for EIA/EMP study along with our consortium partner M/S Nilawar Laboratories(A recognized Environmental Laboratory by MOEF New Delhi)/NABL accreditation under process is providing solutions to clients in public sector as well as in private sector. We are carrying out work in the area of following:

- EC clearances for projects from SEAC/MOEF
- Environmental Impact Assessment Studies (EIA)
- Environment Management Plan(EMP)
- Disaster management Plan(DMP)
- Risk Analysis & On-site Emergency Preparedness Plan
- Environmental Statement Preparation as per SPCB Format
- NOC clearances/obtaining Consent to Establish(CTE) from SPCB
- Preparation & Filing for Consent to Operate(CTO) from SPCB
- Comprehensive Third Party Environmental Audit
- Conducting Training and Awareness Programme on Environmental Laws
- Water Availability Report, Comprehensive Water Audit & Water Foot print
- Effluent treatment & Sewage Treatment treatability study(STP/ETP)
- Assimilative Capacity of River
- Assimilative capacity of cluster etc
- Mine plan preparation and obtaining of Environmental clearance for both major and minor minerals

To fulfill above, Institute for Environmental Management needs executives in the fields of Mine Survey, Land Survey, Mine Plan, Environmental Clearance, Environmental Impact Assessment, Environmental Management Plan etc. Currently, Institute needs Surveyor & Auto CAD Executive to fulfill above needs.
